

# National Black HIV/AIDS Awareness Day 2013

February 7, 2013

---

Thursday, February 7, marks the 13th annual National Black HIV/AIDS Awareness Day (NBHAAD), a national HIV testing, treatment and awareness initiative focusing on African Americans. Healthy Black Communities Inc., the lead organizer, coordinates this event in partnership with other national organizations. Activities are being held nationwide in support of this awareness day.

To read more about NBHAAD, visit [www.blackaidsday.org](http://www.blackaidsday.org).
