

4th Global Congress on Addiction Medicine, Behavioral Health & Psychiatric Research

As an official extension of the **Psychology Conference**, [Scitechseries](#) announces the [4th Global Congress on Addiction Medicine, Behavioral Health & Psychiatry](#) (GABP 2026), scheduled to take place from **October 15-16, 2026**, in **Paris, France**, offering both In-person and Virtual participation options.

[Scitechseries](#) warmly invites you to attend the [4th Global Congress on Addiction Medicine, Behavioral Health & Psychiatry](#). This HYBRID EVENT provides you the flexibility to join us either in person at Paris, France or virtually from the comfort of your home or workplace. The conference revolves around the central theme of **"From Brain to Behaviour: Advancing Integrated Care in Addiction and Mental Health"**.

We are delighted to extend a warm welcome to all researchers, practitioners, and enthusiasts in the fields of psychology and addiction therapies for the upcoming World Congress on Addiction Medicine, Behavioural Health, and Psychiatric Research. [GABP Congress 2026](#) is a platform for the exchange of knowledge, ideas, and the latest research findings in these crucial areas of healthcare and it is an opportunity to be at the forefront of advancements in addiction treatment, explore innovative therapeutic approaches, and contribute to the global dialogue on improving mental health and well-being.

Mark your calendars and save the date for this enriching and enlightening event. We look forward to your active participation in shaping the future of addiction therapy and psychological interventions.
